Dr. Salem Abdullah Al Nuaimi

Global Collaboration Hub

Submit a research or academic collaboration proposal

Submit a collaboration proposal

1. Open the collaboration form. Anyone can submit a proposal directly.
2. Enter your name, institution and email, then select the type of collaboration. You can also add your country.
3. Describe the proposal in 1,000 characters or fewer. Read the privacy policy and consent to the use of your data to contact you about the request.
4. Submit the proposal. The site owner will contact you by email.

Request data stored by the site is deleted 12 months after closure.
