Interactive legal scenarios and quizzes

Training cases

1. Older persons

A report suggests an older person may be neglected. What is the appropriate response?

Responsible action protects privacy and refers concerns to the appropriate authority.

Open official reference

2. Child protection

What is the professional response to suspected child abuse?

Protect the child, preserve confidentiality and use established reporting channels.

Open official reference

3. Civilian protection

Which principle distinguishes military objectives from civilian objects?

Distinction is a fundamental rule governing hostilities.
